Alexandria, VA 22313-1450AMENDMENT

This amendment is part of a CPA, which is being filed in response to an advisory action dated March 28, 2003. The advisory action maintains the rejections indicated in the office action dated January 24, 2003 and made final.

The amendment contains a section for amendments to the claims, and a section for remarks.

A petition for a two month extension of time is attached. The petition resets the shortened period for response to June 24, 2003.
